CHURCH ON THE CAPE

United Methodist Church

We of the Church on the Cape represent various religious and cultural backgrounds and life styles. We are young, old, and middle aged, single, married, widowed, divorced, parents, grandparents, and members of extended families. Above all, we are people who take risks, make mistakes, confess, repent and try again.

At the center of our community is Jesus the Christ whose life, death and resurrection are the reasons we are together. The life and hope in this community has more to do with Christ's faithfulness to us than ours to Christ.

Whether you are searching for a faith community, or just passing through, we want you to feel at home. Whoever you are - whatever your history, your scars, your gifts - you are among persons like yourself.

*Join us from wherever you call home:
If you like what you see here, we post our worship music,
children's messages and sermons online - you can find them
via our website, www.churchonthecape.org.*
